(Con't) New Product Updates

NEW RELEASE! – 32 X 40mm Universal Pull Out Pop Up Basin Waste – Suitable for 32 & 40mm Overflow and Non-Overflow Basins - Link: <https://www.bathroomwastes.com.au/shop/>

Images & details:

Currently Bathroom Wastes only stocks and promotes the Tilo Brand range of Universal Pull Out Pop Up Wastes – I believe that the design and integrity of these products, together with other options such as two colour combinations, gives Bathroom Wastes a significant advantage over our competitors in terms of brand awareness, customer satisfaction and recommendation

Pricing – All prices are available online via the link above
Should quantity, trade or project pricing be required please contact myself for details (See below)

Yours Sincerely

Brendan Hansby
